ODIN II

TEST PLAN

TEAM 11

TODD TOWNSEND, ABRAM FOUTS, KARLA BARRAZA LOPEZ, WENHAO CHENG, XUENING JIA

Sponsor: Brad Smith - Intel Corporation

Advisor: Fu Li

Engine	Test	Result
Unity	**Verify gaze vector variables in SteamVR API**	complete
Unity	**Verify gaze vector variables linking in API script**	complete
SteamVR	**Verify variable gaze vector variable types**	complete
SteamVR	**Verify field of view variable types**	complete
Tobii	**Verify gaze vector connection from SteamVR API**	complete
Unity	**Verify field of view variable in SteamVR API**	complete
Unity	**Verify compilation of gaze vector stand alone script**	complete
Unity	**Verify compilation of field of view stand alone script**	complete
Unity	**Verify connection between field of view default modifications**	complete
Unity	**Verify connection between gaze vector default modifications**	complete
Unity	**Verify compilation of touch controller stand alone script**	complete
Unity	**Verify variable assignments for touch controllers**	complete

Engine	Test	Result
SteamVR	Verify variable assignments for touch controllers	complete
Unity	Verify touch controller API Hook	complete
Unity	Verify gaze vector API Hook	complete
Engine	**Test**	**Result**
Unity	Verify field of view API Hook	incomplete
